Advertise in the 2009 Handmade Tile Association Directory

The most effective ads describe to our audience what your product or service does.

Here is what we need from you

Computer info

The HTA is PC based. You can send your ad by e-mail or CD. Images should be 300 dpi. All ads should be in CMYK. The HTA creates the directory in QuarkXPress 4.0 and in Photoshop 7. We will send a proof only if requested.

Deadlines

Must have ad and payment by October 15th, 2008

Late Ads

Ads received after October 15th will be considered late. \$35 late fee charge for ads received between October 15th and the 31st.

Directory Line Listing and web link

We will list name of company / organization, phone and web address.

Categories - tile setter, tile showrooms, galleries, web services, organization, material supplier, classes, design services, architect, legal services, photographic services, mosaic suppliers, designer.

If you do not fit into these call the HTA and we will create a new category.

Artist and Service Provider all in one?

Many of our advertisers are artist too. You can take out multiple ads to make sure you tell our audience what you do. The most common scenario is an artist is a tile setter too. We recommend you take an ad out as an artist and a separate ad as a tile setter if you are looking for work as both.
